Mexican Political Biographies, 1884-1934 Roderic Ai Camp,2014-11-06 Here is an authoritative reference work that makes biographies of prominent Mexican national politicians from the period 1884-1934 available in English. Like the author's biographical directory for the years 1935-2009, it draws on many years of research in Mexico and the United States and seeks not only to provide accurate biographical information about each entry but also, where possible and appropriate, to connect these politicians to more recent leadership generations. Thus, *Mexican Political Biographies, 1884-1934* not only is a useful historical source but also provides additional information on the family backgrounds of many contemporary figures. The work includes those figures who have held specific posts at the national level or who have served as state governors. Each biographical entry contains the following information: date of birth, birthplace, education, elective political office, political party positions, appointive governmental posts at all levels, group activities, nongovernmental positions and professions, relatives, mentors and important friends, military experience, unusual career activities, and published biographical sources. Another unique feature of the directory is appendixes with complete lists of the names and dates of cabinet members, supreme court justices, senators, deputies, selected ambassadors, and party leaders.

A Selected Guide to the Literature of the Flowering Plants of Mexico Ida Kaplan Langman,2018-01-09 This bibliography is a guide to the literature on Mexican flowering plants, beginning with the days of the discovery and conquest of Mexico by the Spaniards in the early sixteenth century.

De hecho, en gran medida podría pensarse que el estudio de las normas vigentes en un sistema social surge del estudio de las conductas consideradas transgresoras, y no al revés.

Chess Results, 1986-1988 Gino Di Felice,2022-09-28 This reference work continues a comprehensive series chronicling men's chess competitions. Listed in this volume are the results of chess competitions from all over the world--including individual and team matches--from 1986 through 1988. Entries record location and, when available, the group that sponsored the event. First and last names of players are included whenever possible and are standardized for easy reference. Compiled from contemporary sources such as newspapers, periodicals, tournament records and match books, this work contains 843 tournament crosstables and 130 match scores, and is indexed by events and by players.
