Space Is the Place John Szwed, 2020-04-30 Considered by many to be a founder of Afrofuturism, Sun Ra—aka Herman Blount—was a composer, keyboardist, bandleader, philosopher, entrepreneur, poet, and self-proclaimed extraterrestrial from Saturn. He recorded over 200 albums with his Arkestra, which, dressed in Egypto-space costumes, played everything from boogie-woogie and swing to fusion and free jazz. John Szwed's *Space Is the Place* is the definitive biography of this musical polymath, who was one of the twentieth century's greatest avant-garde artists and intellectuals. Charting the whole of Sun Ra's life and career, Szwed outlines how after years in Chicago as a blues and swing band pianist, Sun Ra set out in the 1950s to impart his views about the galaxy, black people, and spiritual matters by performing music with the Arkestra that was as vital and innovative as it was mercurial and confounding. Szwed's readers—whether they are just discovering Sun Ra or are among the legion of poets, artists, intellectuals, and musicians who consider him a spiritual godfather—will find that, indeed, space is the place.

Unearthing the thrilling history of grassroots movements and renegade intellectuals and artists, Kelley recovers the dreams of the future worlds Black radicals struggled to achieve. Focusing on the insights of activists, from the Revolutionary Action Movement to the insurgent poetics of Aimé and Suzanne Césaire, Kelley chronicles the quest for a homeland, the hope that communism offered, the politics of surrealism, the transformative potential of Black feminism, and the long dream of reparations for slavery and Jim Crow. In this edition, Kelley includes a new introduction reflecting on how movements of the past 20 years have expanded his own vision of freedom to include mutual care, disability justice, abolition, and decolonization, and a new epilogue exploring the visionary organizing of today's freedom dreamers. This classic history of the power of the Black radical imagination is as timely as when it was first published.
